

CAMPUS & FACILITIES

The School campus is one of the best campuses in this region, embedded with all the amenities for educational excellence, located in a lush green arena, the campus aims to enthuse and challenge young minds with stimulating design, environment and adequate facilities. The premise is equipped with student friendly classrooms, sports & activity areas, laboratories and other essentials. We guide Parents to choose better Transport option from the Available sources.

• SPACIOUS & FULLY VENTILATED CLASSROOMS

We can boast of the spacious classrooms, which are well ventilated, airy and well lit with natural light. The classrooms are excellently furnished to make the student learning comfortable and enjoyable. All classrooms are Digital classrooms with Smart boards and well equipped with all Smart learning facilities. These digitally enhanced classrooms make teaching more effective and learning for interesting, ideal and fun.

• 24/7 CCTV CAMERA SURVEILLANCE : YOUR CHILDREN ARE SAFE

The entire school campus, which includes all classrooms, activity rooms, corridor and grounds, is under complete CCTV camera surveillance 24/7, for the safety and well - being of all students, staff and school property at all times. A separate team of specialist who are well - equipped with all necessary equipment to maintain and ensure safety in school at all time.

• LIBRARY & E-LIBRARY : READING IS PIOUS

The library is unrivalled with numerous books for student reference and good reading. The library also has Digital content for student of all classes. The students are encouraged to cultivate good reading habits and use the library as an important center for learning. The school subscribes sufficient number of newspapers, magazines and journals suitable for students.

• COMPUTER AIDED LEARNING

The school has well-equipped computer laboratories stocked with educational CDs and DVDs. A computer - student ratio of 1:2 is maintained to enable students to work comfortably on the computers. Visual classrooms with aids like LCD projectors are used regularly to make learning more enjoyable and interesting.

OUTDOOR SWIMMING POOL

The State-of-the-Art Swimming Pool Complex comprises a Learner's Pool and a Main Swimming Pool. It is provided with a very compact and modern filtration system which maintains clean and hygienic water throughout. Pools are maintained by expert curators who are responsible for a healthy aquatic atmosphere in the outdoor Pools irrespective of all kinds of weather conditions.

In Delhi World Public School, Bhatapara, Swimming is conducted by trained coaches and is supervised carefully for the safety of each and every student involved in the activity. Students are provided specific time slots and weekend slots for practice of Swimming.

सभागृह : THE MULTI-PURPOSE HALL

The Multi - Activity Hall, constructed ergonomically at the North-East corner of the school premises, is the hub of all activities in the school. It is fitted with the latest acoustics and has an in-built projector. Equipped with Dolby digital sound system and energy saving LED lighting, PAR cans, Cross Bars and Induction Lamps, M.P Hall has seating capacity of around 500 invitees. Most of the debates, seminars, movie shows and other such congregations are held here.

During the school time, it also hosts the Dance classes and Fine Arts classes. It is also the place for SPIC MACAY Concerts and Guest lectures by eminent delegates.

• TRANSPORTATION FACILITIES

The school has bus facility that covers an enormous area. Special designed buses for the safety & comfort of the students are used. The students are picked and dropped by the escorts. The routes are planned in such a way that the travel time of the children is minimized.

• BEYOND ACADEMICS

To pave the way for such non - cognitive learning we organize a variety of competition and cultural events which also support formal learning. Inter class/house competitions such as Debate, Recitation, Fancy Dress, Group Song, Folk Dance, Rangoli, Art and Craft etc. provide learning experiences which enrich the educational and social development of the students. Hand in hand with classroom education, such events provide the students with an opportunity to be a part of a broad spectrum of activities which promote the development of a "Complete Being".

Some of these activities are:

- ▶ Dramatic Activities in Pre - Primary Section Related to.
- ▶ Literacy Activities Sensory Education
- ▶ Quiz - Recognize sounds, Textures etc.
- ▶ Art / Craft
- ▶ Martial Arts/ Motor Development.
- ▶ Music & Dance - Coloring, Scribbling
- ▶ Games & Sports: Stringing beads, Clay Moulding etc.
- ▶ Cricket, Table Tennis, Chess, Football, Basketball etc.
- ▶ Lawn Tennis.

• MEDICAL FACILITIES AND FIRST AID

The School has a first aid facility of its own. Regular medical check-ups for the entire school is to be done routinely. Reports of any medical examination will be sent to the parents of students who require special treatment. The school will have tie-ups with all specialists who will be made available if it is required.

• 24X7 POWER BACK - UP FACILITY

To ensure that the school always has electricity, so that classes aren't hampered and the students may study comfortably without any difficulties, the school has a back-up generator facility to ensure that the school has uninterrupted electric supply.
